Dear Parents/Guardians:

Your child will receive an iPad, case and charger to take home and keep for much of the school year when they return from the Labor Day vacation. In order to receive this iPad, there are a number of items that must be taken care of beforehand. There is a **\$30 iPad fee** that must be paid. Secondly, you and your child must sign and return the **General iPad Home Use Agreement**. And finally, the **Technology and Internet Acceptable Student Use Agreement** must be signed and returned. This form also enables your student to have a CMS GSuite for Education account. There will be tables set up at Back to School Night for you to get copies of these forms and pay fees if needed. If you are unable to attend Back to School Night you can pay the fee or get copies of the forms during normal business hours at the main office. You can also download copies of these forms from the CMS technology website at <http://www.columbinemiddleschool.org>. Please direct any questions to Mr. Perfors or Mr. Stephenson at Columbine Middle School during normal school hours. Thanks, and we'll see you at Back to School Night.

Sincerely,

David Perfors
